

VIRALREEL TUTORIAL- How to Connect & Post videos in Dropbox

Follow these simple steps below:

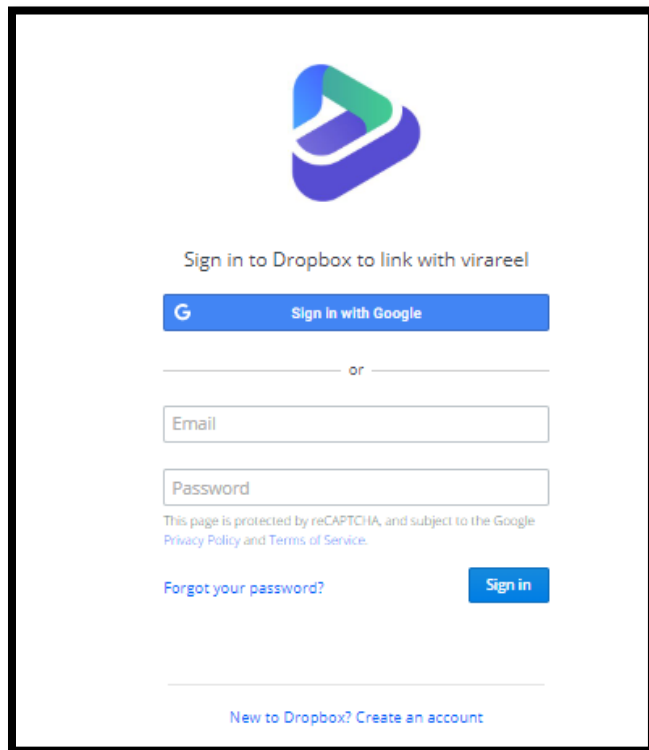

1. On the ViralReel dashboard, go to your Profile tab dropdown on the upper right part of the screen then click on **Social Accounts**.

2. Since we're connecting Dropbox, click on the **Connect Dropbox** option.

3. A pop-up will appear and you will need to sign in to your Dropbox account.

4. After logging in, another pop-up will tell you to make sure that you know the app, so click on **Continue**.

5. ViralReel will ask permission to access your files and folder in your Dropbox account. Click **Allow**.

6. Once you have successfully added your Dropbox account, you will see it on the Manage Social Account tab. If you wish to remove the said account, just click on the X button below the Action tab.

How to Post your videos on Dropbox

Follow these simple steps below:

1. On the ViralReel dashboard, scroll down to the Campaign Data tab where you can see the list of the videos you made. Click on the small inverted triangle on the side to show more options.
