

VIRALREEL TUTORIAL- How to Create a Virtual Account

Follow these simple steps below:

1. On the ViralReel dashboard, go to User menu dropdown on the upper right side then click on **Virtual Account**.

2. Fill out the necessary information then click **Create**.

The screenshot shows the 'Virtual Account Credential' form. It contains input fields for First Name, Last Name, Email, and Password. A green 'Create' button is located at the bottom right, highlighted with a red box.

3. Once done, there will be a pop-up on the lower right side saying "User added successfully". You can see the added user account on the table below the Virtual Account Credential and just click on the **X** button if you wish to delete it.
